MISSION, TARGETS & SERVICES

3. PREVENT

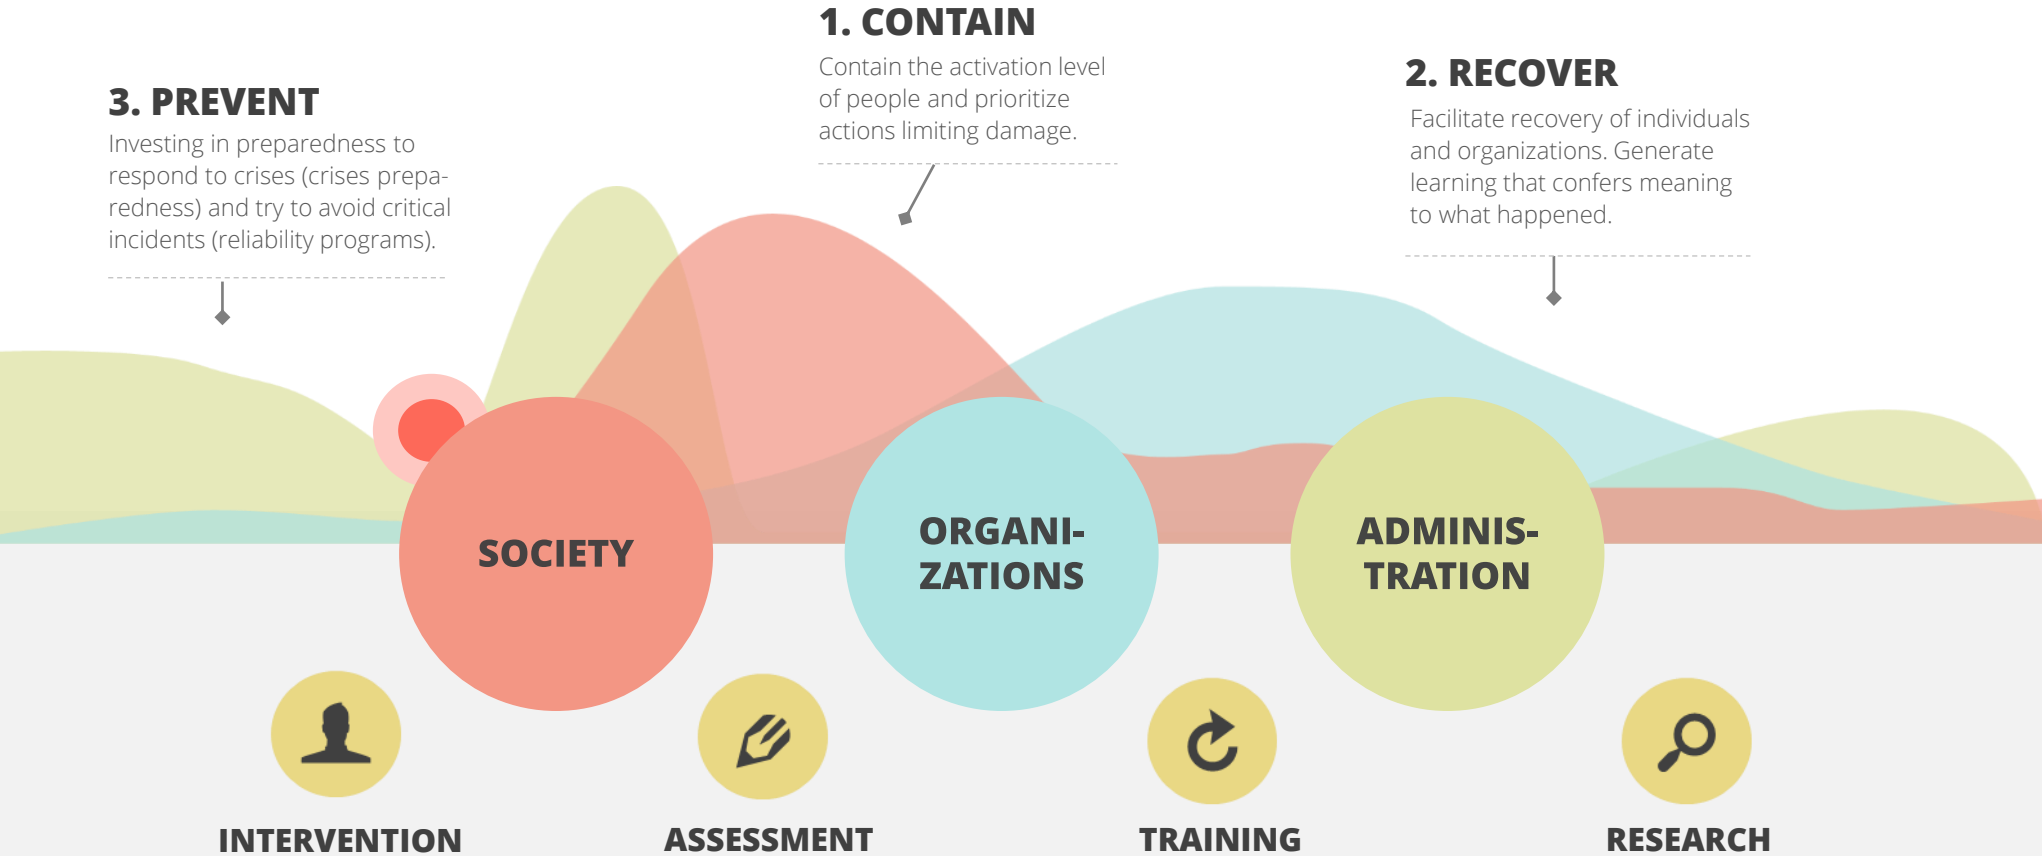

Investing in preparedness to respond to crises (crises preparedness) and try to avoid critical incidents (reliability programs).

1. CONTAIN

Contain the activation level of people and prioritize actions limiting damage.

2. RECOVER

Facilitate recovery of individuals and organizations. Generate learning that confers meaning to what happened.

Resource centre dedicated to the **care provision, training and research for critical situations** based in the Faculty of Psychology at the Autonomous University of Barcelona.

 The UTCCB was funded in 2010 by a group of **psychologists specialised in emergencies**. In 2011, it got integrated in **SIPEP** (Servicios y Proyectos Estratégicos en Psicología; *transl.* Strategic Services and Projects in Psychology) of the Faculty of Psychology at UAB. Its acronym stands for “**Unit of Trauma, Crisis and Conflicts of Barcelona**”.
